

The Skinny on Real Estate Investing: An Introduction to the Subject

the skinny on
After years of studying how people learn, RAND Publishing has created The Skinny On™ series of books to provide a plain-English explanation of today's most important topics. Information is presented in an entertaining story format.

"Jimmy Randel is the real deal. He knows how to combine market timing with his expertise to create incredible returns. He was my mentor 25 years ago when we did our first deal together and I treasure his advice to this day."
Jim Fagan, Managing Director, Cushman Wakefield

"I have watched Jim invest for twenty years ... he is a very smart, clever, and disciplined investor ... the guy I would want in a fix hole with me."
Jeff Gage, Managing Director, Jones Lang LaSalle

The Skinny on Real Estate: An Introduction to the Subject (Part 1) is the first in a three-part series of books about real estate investing. This book gives you an overview of the topic, outlining questions to help you determine if real estate investing is right for you.

In this book you will learn the basics as Randel sets the foundation for your investment strategies. This quick read will prepare you for a lifetime of investing!
